Remember when registering your camper their Grade at camp is the Grade they will be starting in fall 2021.
This summer we will take a journey through the beginning of the Bible and find Moses and the Israelites as they rise up and escape from Egyptian rule. We will be following Moses closely, looking at how his many victories and triumphs came alongside brokenness and struggle. So join us this summer as we dive into the stories and teachings Exodus has to offer and learn with us as we adventure through being both Broken & Blessed.

Counselors in Training
We are introducing a new program for our High School campers! The Counselor in Training (C.I.T.) program is designed to be a stepping stone for those who want to work as counselors at camp in their future. This program will be for 10th and 11th grade students who have completed one summer of BUDDIES and are looking for a new challenge and more responsibility before becoming Junior and then Senior Counselors. This program, like BUDDIES, will be a two week commitment with one week for training and then a second week for counselor shadowing which has the C.I.T. in a cabin for the whole week learning what it is like to build relationships with campers and get a taste of the full experience of a summer at camp. C.I.T. ’s will be required to attend one of the two training weeks and then are free to pick a week that falls after that training to be their shadowing week. We are really looking forward to this program as another option for leadership development and future staff member development!
