We recommend one every two years but it is not required.

Have the legal guardian/parent of the child you are bringing fill it out and sign it. Luther Point cannot allow any child to stay at camp without his or her legal parent/guardian unless a current health history form has been filled out and signed by his or her legal guardian/parent.

**When does Luther Point need the Health**

**Form?** Either mail it two weeks before your start date or bring the signed form with you to camp at check-in time.

**Will we be safe?** The staff is highly trained. There are Emergency Responders available 24 hours a day no matter where you or your grandchild are. We have an AED at camp. A doctor is available on call. There are trained lifeguards at the beach and trained counselors at the recreation areas.

**What about insurance?** Each camper is covered primarily by their own insurance and secondarily by Luther Point's Accident Insurance Policy. *If you need to have a health form for the child you are bringing, you must include a copy of his or her insurance and pharmacy cards.*
