## HEALTH AND SAFETY ANSWERS:

### **Does the child need a physical by a physician?**

We recommend one every two years but one is not required.

### **What do I do with the health history form?**

Have the legal guardian of the child fill it out before bringing it to camp. Luther Point cannot allow any child to stay at camp without a health form on file.

### **Will we be safe?**

The staff are highly trained. There are Emergency Responders available 24 hours a day. We have two AED's onsite. There are trained lifeguards at the waterfront and trained counselors at the recreation areas.

### **What about insurance?**

Each camper is covered primarily by their own insurance and secondarily by Luther Point's Accident Insurance Policy.

### **What if I have medications?**

We have trained medics who will collect all medications when you check in. Each camper is given their medications according to the directions given to us by the physician. Medications must be in original labeled container.

### **Can I send over-the-counter meds?**

Only if you have a signed doctor's order and the are in the original packaging. Luther Point has a supply of all over-the-counter meds that will be needed for the summer.

## **FAQ's**

### **What kind of food is served?**

There are hot breakfasts, a salad bar available at lunch and supper as well as the main course. We have amazing food with lots of different options to fill you up and give you energy for the week!

### **How can I communicate with my camper?**

We recommend using the USPS, campers love getting real mail! (campers name, Luther Point Bible Camp, 11525 Luther Point Rd., Grantsburg, WI 54840) You can also visit [www.LutherPoint.org](http://www.LutherPoint.org) to send an email to your camper. Click on Summer Camp and follow the link. Campers cannot reply to emails they receive.

### **What if my camper is homesick?**

Homesickness happens at camp from time to time. All of our staff are trained in helping campers through their homesickness by distracting them with fun activities, making new friends and having a good time. The vast majority of campers feel better after a day and forget all about their homesickness.
